Dear all Primary Care Physicians (PCP),

With continued efforts on improving our HEDIS Measures and RAF Scores, please take time to complete the free training regarding Chronic Obstructive Pulmonary Disease. The website provides information regarding various COPD symptoms and different ways of treatment for COPD. As covering and helping COPD patients is one of the HEDIS measures that result in a PCP's STAR ratings, please take the time to review the website below:

Please refer to the directions below to access the free training.

1. Access the website by going to: <http://nihseniorhealth.gov/copd>

Thank you and please do not hesitate to call or email if there are any further questions.
