

TO: ALL PRIMARY CARE PHYSICIANS (PCP) OF DOCTORS CHOICE MEDICAL GROUP
FROM: PROVIDER NETWORK OPERATIONS
SUBJECT: **CME/CE TRAINING FOR COPD HEDIS MEASURE**
DATE: 01/20/2015
CC: MSO INC. OF SOUTHERN CALIFORNIA
 LAN PHAM, MPH, CPUR PRESIDENT/CEO AND COMPLIANCE OFFICER

Dear Primary Care Physician (PCP),

Pharmacotherapy Management of COPD Exacerbation is an important HEDIS measure that is applicable to patients 40+ years old who had an acute inpatient discharge or an emergency department encounter for COPD exacerbation.

The COPD management HEDIS measure can be fulfilled by: (1) Dispensing prescription for a systemic corticosteroid within 14 days of discharge AND (2) Dispensing prescription for bronchodilator within 30 days of discharge.

With continued efforts on improving our HEDIS Measures, please take time to complete the free CME/CE available on the website below. COPD Management is a HEDIS measure to ensure full care of patients experiencing COPD.

Please refer to the directions below to access the free training.

1. Access the website by going to: www.cmecorner.com
2. Click on “**COPD**” under Featured Programs and Click on the BLACK “Online Presentation” box

FEATURED PROGRAMS
